STATE OF THE
UNIVERSE
REPORT ON
GREAT WOMEN
I HAVE KNOWN
CONTINUES

TERRI - This beauty was my friend's old lady, and she mercilessly seduced me while he was out of town of course I have never been hard to seduce, but I did resist about a day. She'd caress my arms, suck on my fingertips... unbelievably erotic. Finally she came to my bed and sucked on my cock and I came almost immediately. Thereafter we made love for a couple of weeks. She was my first Jewish girl - wonderful, thick luxurious pubic hair, beautiful soft tits. She loved the way I made love to her, but didn't like me going out with her friend, though it was balanced by the fact that she was going out with her old man's friend - me. Once I made love to both her and her friend in the same bed, same night, but separately by an hour.

Her friend - my second Jewish girl. Not as pretty as Terri, but cute and willing. Both were mad when Terri found out.

GREAT WOMEN I HAVE KNOWN

I've always respected a woman who knows what she wants... and begs for it!

13 - Michelle - this small and slim, but was fun to be with, shy of involvement. she was light enough to move substance. still kept her, but perhaps childhood she did not she preformed having was a curious same name

12 Cindy Land - And so I left the Calif. paradise and headed east, my next new woman was to be found in Charlottesville, VA, and a sweet one she was, too. She picked me up in a blues bar called the West Virginian. She had a beautiful slim body and was a passionate lover. Unfortunately she was only between leaving and returning to her old man, and I only had her twice. I was a little in love with her but to no avail.

one looked 14 but was 18, streetwise and tough. she but often defensive and she seemed fragile in bed - pick up easily. I prefer a bit I liked her and would have because a tumultuous want steady, my love not. called 'mike', which situation, having the
