Great Women I Have  
 Known  
 14 SUSAN BOZE  
 She walked into the  
 convenience store in Charlott  
 esville VA where I worked  
 with her long straight blonde  
 hair, cute rounded figure and  
 a sexy gap-toothed smile. I  
 overheard her talking about  
 temptation, and I remarked  
 "we don't sell that here."  
 She was into being a Jesus freak  
 so that grabbed her. I think  
 she thought I was God at first  
 we got along great, sharing  
 puns and chase and wine  
 she a talented singer and  
 songwriter. But she would  
 not fuck. Later I picked  
 her up in St. Charles LA,  
 at her request, and took  
 her to Denver. There  
 she let me eat her pussy  
 but still no fuck. Finally,  
 after I'd moved to K.C.,  
 she came to visit me,  
 and was ready to fuck,  
 so we did. However, by  
 then I had Robin, so I  
 let Susan go. She  
 hitchhiked west and  
 I never saw or heard  
 from her again. Many  
 times I wished I'd  
 kept her, 'cause  
 Robin didn't last.  
 But I missed Susan's  
 obnoxious but fun  
 personality, and she had  
 an realized sexual  
 potential. I still wonder  
 where she is and what  
 she's doing.
