It's hard to hold up all these speech balloons at the same time

It's much easier if you put the point in the middle, like this. The balance is better

It's all a matter of breath control.

Saturday

Mmmff See, isn't it easier with the nipple of the speech balloon in the middle?

He always did have a way of getting to the center of things

June sixteen MOONDAY

Why do those clouds have numbers and dates on them?

Because, Cindy - they're all accounted for.

Wednesday June eighteen

Lucy has made the GWHK list, and Cindy, Tanny, and Lois are prime candidates

well, somebody had to!

why do you say that?
