

A stitch in time saves 9. Therefore you should loop before you leak!

There are two sides, at least, to every thing

Then, approaching the twilight zone, the [NEVIAN] vessel dived vertically downward. Doc Smith - Triplanetary Chapter 10, 1948

Do you suppose Red senting? Read Doc Smith?

TAT FOR tit

I need some soup for my souper bowl.

Next to the nurseay there was a store that sold jeans with short stories printed on them... Plotted Pants

And what do you knead for your cocker spaniel?

Would you believe I've got a puss willow growing in my back yard, and...
