"She said, I need a cab at La Mancha  
But driver, you're not 10-2"  
It seems nobody wants ya  
I got them cab-arrowed blues...

You'll have to  
make an  
appointment -  
there's a  
long list  
of women  
who want  
them.

But don't  
worry -  
they'll get  
to you

Ooh... it's captain  
Cab and Hawkeye!

The Famous  
Yellow Blues  
Brothers...  
Let's go to  
bed with  
them!

Being a Cosmic Bandido,  
captain cab occasionally  
feels compelled to engage  
in random, chaotic behavior

Your hypothesis is  
erroneous (not to mention  
erogenous). Actually your  
subatomic particles are  
attracted to mine  
by S.S.F. (strong  
Sexual force)

Yes, indeed, the  
S.S.F., a little-known  
by physicists, but hinted  
at by Freud, is a power-  
ful force generated  
by MALE and FEMALE  
particles found  
in the nuclei  
of living  
beings.

Normally, male  
particles are found  
in males, and  
female in females  
however, their  
charges may be  
reversed by  
GAY or BION  
particles.
