True, but I drew this cartoon, so things do whatever my imagination tells them to do.

Hmm... So what conclusions can one draw from this?

That's funny... usually bricks don't usually hang suspended in mid-air like that.

We ladies love to get our drawers off.

I NEVER LIKED SAILORS! BUT I LOVE SEMEN...

Must be Thursday... there go more of those floating numbered bricks!

If you seek the fountain of youth, look first to the wellspring whence humanity cometh.

This wine is sovereign against all complaints. This is the wine the great king-angels use.

Fair maiden, you have unhooded the red cobra of desire.

Why would someone drink something called the rear end of a rooster?

Drink to me only with thy tongue.

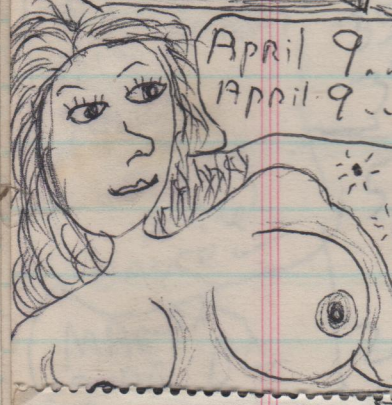

...spill the wine - drink that girl...

My French teacher told me I was a cunning linguist.

Taco Belle?

Wow, Captain Cab - you sure can tickle those 88's!

Why, I'd be tickled pink!

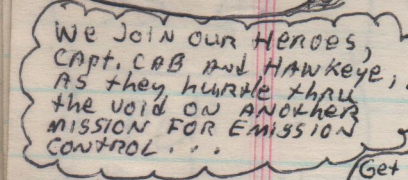

You can tickle my 38's, too!

I'll tickle your pink!

We join our heroes, Capt. CAB and Hawkeye, as they hurry thru the void on another mission for emission control.

Get ready to go down

Great - I could use some seafood

Holy Splits! This planet is full of women!

Looks like we've got our work cut out for us!

Nothing could be finer than to be in West Virginia...

What's on the agenda today, Captain?

We're supposed to check out a planet called West Virginia. They say there's something fishy there.

WELCOME TO WEST VIRGINIA
