And when he pulled down his pants it was "ONCE" on a blue moon

That reminds me of the true story of the cat and the fiddle, a violinist named TOM KATZ one moonlight night he sent a bovine-laden dirigible into the air. It soared higher than in the sky than the brightly shining satellite, leading to the legend we all know. But of course such

Did I hear someone say "sex"?

That's the date in LATIN: VI-VI-LXXXVIII

That's O.K I believe in sex ON LATIN DATES
