

Oh, wow! Like, Reality is becoming just like TV, with printed messages, running across the scene.

Do you believe there may be realms of existence with 3 or more dimensions?

Yes, it's getting harder to tell one 2-dimensional reality from another.

78350 JANUARY 10, 1990... WEDNESDAY...

ONLY OUR CREATOR KNOWS. IT'S HARD FOR US TO DRAW OUR OWN CONCLUSIONS.

I heard a rumor that 267 got crunched Friday

AND NOW CAPTAIN CAB HAS TO DRIVE A COMPANY CAB

Alas, the rumor is true.

TUESDAY 1-16-90

Shop IBM

Sure is a funny-looking little taxi

It runs funny, too.
