COSMIC!

And in only 10 years it will be 2000! Like, OUT A STATE!

Like, oh wow... This isn't a science fiction comic strip! Like, it's FOR REAL 1990. Totally tubular!

THE FUTURE IS NOW!

GRAFFITI IS AN UNDERAPPRECIATED ART FORM. IT IS THE ART AND LITERARY EXPRESSION OF THE PEOPLE.

Indeed, the common people who are untrained and uneducated also have a moral right to express themselves publically. I agree, Thursday.
