that?

It's my latest  
INVENTION.  
AN ACCU-JACK  
MACHINE  
COMBINED with  
A SPECIAL VIDEO  
TAPE PLAYER to  
create the  
illusion of sex  
with a real woman.

It's A

When I have  
A MAN IN BED  
I always use  
the high-priced  
spread.

I prefer  
to allow  
A little  
MARGARINE  
FOR EROS.
