

Well, another Stungis has come and gone without me, and the money supply is low. My bike is down, and my roommate and good friend Terry is still unemployed.

On the other hand, your love life is pretty good, thanks mostly to Shari, your bike will be fixed soon, and you'll make more money come Fall...

And it's a friendly universe

Hey, that's just 50 miles shy of a hundred thousand!

Soon it will be a brand new Cab again.

Too bad if people don't have odometers
