DRIVING A CAB will test your mettle. IF YOU'RE NOT LEAD INTO A CALL someone might steal it, if they have enough brass, and you can't call a copper to iron out the problem.

ON the other hand, if you can avoid scoops, breakdowns, 10-17's and chop-chops, and the cage, and if you can find the party you can go on a trip and enjoy the fare.

SEPTEMBER

is composed of the Latin word septis, meaning "full of bacteria" and "ember", meaning "burning hot". Thus it is the hot germ month.

NO, actually it comes from septus, meaning seven, and amber, meaning yellow.
