

I SAT ON
the hood OF MY
FAVORITE Ride
'CAUSE I like the way
it feels ON my hide.

When I sit
ON the FACE OF
my FAVORITE
driver, I
Find that
my pussy
is A whole
lot ALIVER.

I've seen
Lots OF
Hallucinations,
But NEVER A
20-Fingered
Guy.

They're probably
real good AT
Math.

I CAN
Digit!

20- WE CAN ASSUME
that, with ten
Fingers per hand,
the 995ies would
have a base-20
Number system.
Type FAST AND
play A MEAN
piano. The
problem is, there
IS NO MIDDLE
FINGER, so
HOW could they
FLIP the
BIRD

We're also good
at bugging CRAZY
Lawyers who CRASH
into cops while on
their mobile
phone
