MONDAY

So, like this rich dude that I dated once or twice decides Xmas should have 12 days, so he sends me

1 TON OF MIRRORS
2 TUBS OF TOOT
3 TRAYS OF TREEFROGS
4 FOURDOOR FORDS
5 FREE FIFE S
6 Sexy sextons
7 Severed Sceptres
8 Apes in ATRIUMS
9 Knights in NIGHTSHIRTS
10 Tinted tents
11 Leavenworth Leutitators
and 12 shelves of ELUES.

So I said, like, "oy vey, dude, that's 78 different items, and there are 12 treefrogs to a tray, and 4 elves to a shelf; 118 living things. I cooked up the frogs, but there was only 48 4390243 cache. NOW WHAT? MORE FROGS?"
